DISTANCE LEARNING

Since the Spring of 2001 I have been the Executive Producer and host of the show, *Island Connections*, which aired live on Olelo (The Educational Channel) once a month till Spring 2013. Since Fall 2013 the show is pre-recorded. The Department of Ethnic Studies is the show sponsor. Each semester I produce four programs through Information Technology Services (ITS) at UHM. The show is a resource for students and a tool to inform the general public about Hawai'i and global issues. Viewers would call in with their questions and comments. Programs are available on youtube and at the audio/visual center-Sinclair Library—UHM.
