University of Indiana at Bloomington, External Affiliated Faculty, Ostrom Workshop in Cybersecurity and Internet Governance	2017 – present
Visiting Scholar, Department of Business Administration Aichi University, Nagoya, Japan	Jun.-Jul., 2015

EDUCATION

Ph.D.	University of Hawai'i at Mānoa , Honolulu, HI Communication and Information Sciences Columbia Communications Telecommunications and Computer Sciences Scholar, ARCS Foundation, 1999-2000 and 2000-2001	2003
-------	---	------

MLIS	University of Hawai‘i at Mānoa , Honolulu, HI Library and Information Sciences Program, Department of Information and Computer Sciences	1996
AB	Occidental College , Los Angeles, CA Religious Studies (Asia), Philosophy (minor)	1991

RESEARCH INTERESTS

- Communication rights, norms, principles, and values, including privacy, digital inequalities, algorithmic discrimination in the context of big data and the Internet of Things
- Emerging communication policy issues in the Asia-Pacific region, with a focus on the future of Internet governance
- Data governance and stewardship, including use of big data for the public good (domains: health data, location-based data, urbanization, energy)
- Broadband access rights, community informatics, broadband development’s role in improving quality of life and enabling digital self-determination
- Social networking sites as a support for political discourse and good governance

AWARDS AND DISTINCTIONS

- Nominee, Peter V. Garrod Distinguished Graduate Mentoring Award, University of Hawai‘i at Mānoa, 2016.
- Invited participant, *Broadband 2021*, an expert workshop informing United States policy on broadband Internet. National Science Foundation, Arlington, VA, June 2016.
(<https://goo.gl/s7xj0h>).
- Fellowship, National Science Foundation (NSF), Team for Research in Ubiquitous Secure Technology (TRUST), Women’s Institute in Summer Enrichment. University of California at Berkeley, Berkeley, CA, 2015.
- Fellowship, National Science Foundation (NSF), Team for Research in Ubiquitous Secure Technology (TRUST), Women’s Institute in Summer Enrichment. Cornell University, Ithaca, NY, 2014.
- Fellowship, National Science Foundation (NSF), Team for Research in Ubiquitous Secure Technology (TRUST), Women’s Institute in Summer Enrichment. University of California at Berkeley, Berkeley, CA, 2012.
- Board of Regents’ Medal for Excellence in Teaching, University of Hawai‘i, 2011.
- Fellowship, National Science Foundation (NSF), Team for Research in Ubiquitous Secure Technology (TRUST), Women’s Institute in Summer Enrichment. Carnegie Mellon University, Pittsburgh, PA, 2011.

Finalist, International Award for Excellence in the area of Science in Society. Selected by the International Advisory Board for the *International Journal of Science in Society*, 2011.

Top paper, Selection of Best Papers, *Computers and Society*, Association for Computing Machinery, 2006.

Student Marshal for Ph.D. recipients at the University of Hawai'i Spring Commencement, 2003. Represented and led the Ph.D. recipients in the commencement ceremonies. Selection based on outstanding leadership, scholarship, and service.

Columbia Communications Telecommunications and Computer Sciences Scholar, ARCS Foundation (Achievement Rewards for College Scientists), 2000-2001 and 2001-2002.

Nominee, Frances Davis Award for Excellence in Undergraduate Teaching, University of Hawai'i, 2001 and 2002.

Student Chapter of the Year Award, American Society for Information Science & Technology (Recognized as Vice-President of the University of Hawai'i Chapter), 1998.

Excellence in Scholarship Award, Beta Phi Mu, International Library and Information Studies Honor Society, 1996.

Beta Phi Mu, International Library and Information Studies Honor Society, 1996.

Kathleen McCall Schutte Scholarship, 1996.

SLIS Student Award, School of Library and Information Science, University of Hawai'i, 1996.

Distinguished thesis designation at Occidental College. Graduated with distinction, 1991.

Bank of America Achievement Award for Music, 1987.
